

Parents in Education Grant Program

Catholic School Parents SA (CSPSA)

The Parents in Education (PIE) program is designed to award grants to school communities that undertake projects in alignment with the Parent Engagement in Learning Strategy of the Government of South Australia.

The funding is intended for projects that assist parents and caregivers to become involved in their child's education and promote learning at home through constructive relationships with schools.

How is it funded?

The PIE grant program is supported through the Office of the Minister for Education, Training and Skills, Government of South Australia.

Catholic School Parents South Australia will be administering the grants for Catholic Schools in South Australia.

What criteria needs to be met?

The application needs to detail the estimated cost of the project and specify the grant amount you wish to apply for. Please list the estimated project expenses if no quotations have been obtained.

Can catering expenses be covered?

Miscellaneous catering expenses which are associated with an event can be covered if they are detailed in the budget eg. tea/coffee and light snacks to the value of \$200.
