

Application Form Parents in Education (PIE) Program

"There is no doubt that when family engagement is developed in true partnership, it has the ability to positively impact students' academic, social and emotional growth within our communities" Kelli Cedo, Educator

The Parents in Education (PIE) grant program is supported through the Office of the Minister for Education, Training and Skills, Government of South Australia.

Each PIE application will be assessed against criteria set out by Catholic School Parents South Australia (CSPSA) to ensure grants to school communities deliver projects that align with the Government of South Australia's *Parent Engagement in Learning Strategy*.

The PIE program aims to encourage and promote projects and events that will support greater participation from parents and caregivers.
